County Council Resolution 33-21 established the Redistricting Commission and requires that the Commission recommend to the Baltimore County Council a plan for the redistricting of the seven Councilmanic districts. The Baltimore County Charter requires redistricting after each decennial census so that the districts will be substantially equal in population. The Commission's recommendation is due on or before October 15, 2021.

Further information about the redistricting law and process may be found on the County Council website www.baltimorecountymd.gov/countycouncil.
